

The following Ordinance prepared by Attorney Whalley relating to cement side-walks was now introduced and read;

One Ordinance

Creating and establishing The First Public Improvement District within and for The Town of Breckenridge, Colorado, and declaring the necessity for the laying cement side-walks and curbing on each side of The Streets and Avenues thereof;

Be it ordained by The Board of Trustees of The Town of Breckenridge, Colorado;
 Section I, That that portion of Main Street from and between Washington Avenue ~~and~~ to Carter Avenue, and that portion of Baker Avenue from and between Main Street to French Street, in The Town of Breckenridge, Colorado, including the side-walks and curbing on each side thereof, be, and the same hereby is, created and established as The First Public Improvement District within and for The said Town of Breckenridge, Colorado.

Section II, That there is hereby declared the necessity for the grading and paving, with cement walks and curbing, the side-walks and curbing on each side of The Street or Streets, Avenue or Avenues included within The Territorial boundaries of The said First Public Improvement District herein before created and established; The cost thereof to be assessed against The adjoining property as provided by Law.
