WHEREAS, North Main Street and South Main Street are public streets owned, operated, and maintained by the Town of Breckenridge; and

WHEREAS, Section 42-4-106(6)(b), C.R.S., provides that the Town may provide for the temporary closing to vehicular traffic of any portion of a highway (or public street) under the Town's jurisdiction during a specific period for the purposes of special local events or civic functions when in the opinion of the Town Council such temporary closing is necessary for the safety and protection of persons who are to use that portion of the highway during the temporary closure; and

WHEREAS, in connection with reopening of the downtown businesses related to the COVID-19 pandemic the Town Council wants to allow and encourage any business located on North Main Street or South Main Street that wants to offer food service in the street, or other downtown businesses on North Main Street or South Main Street as reasonably determined by the Town Manager, to temporarily use portions of the Town's North Main Street and South Main Street rights-of-way to re-open and operate their businesses if such business will operate in a manner that will allow for the provision of required physical distancing and other protocols that are necessary to provide the public health, safety, and welfare; and

WHEREAS, the Town Council finds and determines that such temporary use of certain portions of the Town's North Main Street and South Main Street rights-of-way is deemed to be a special local event or civic function within the meaning of Section 42-4-106(6)(b), C.R.S.; and

WHEREAS, the Town Council further finds and determines that the temporary closure of portions of the Town's North Main Street and South Main Street rights-of-way is necessary for the safety and protection of persons who are to use that portion of the highway during the temporary closure; and
